

Valberg FRS-66 EL Digital & Keylock Fire Resistant Safe:

The Valberg FRS-66T EL is a fireproof safe for storing securities and documents. Ensures the safety of contents for at least an hour in case of fire. Protective qualities are confirmed by laboratory tests, certificates of compliance with Russian standards of fire resistance - class 60B. The door and the body of the safe have a multi-layer construction: double steel walls, the space between which is filled with refractory concrete. The design uses a thermal lock, reinforced with a fire-resistant sealant around the door perimeter. Horizontal bolt mechanism. Active bolts are driven by a convenient handle, locked with two locks: key and code electronic. Passive bolts on the hinge side provide additional burglar resistance.

Specifications:

Brand:

Valberg

Inside Size:

467 x 346 x 301mm

Outside Size:

653 x 485 x 450mm

Lock Type:

1 Digital + 1 Keylock

Fireproof:

Yes

Weight:

75kg
